

Memory Care at **GOLDEN LODGE**

Life Enriched

COMFORT IN THE DETAILS

Our whole-person approach to memory care focuses on meeting residents' needs while creating an inviting family atmosphere. We offer three secured neighborhoods with a total of 36 studio apartments. The community is overseen by our experienced memory care director and staffed 24/7 with team members who are trained in dementia care. We're committed to making sure residents feel at home and have the freedom and confidence to learn and grow.

MEMORY CARE NEIGHBORHOOD

Laid out in a safe and intimate neighborhood structure, each memory care studio apartment is designed as a comfortable home for those living with dementia. Each neighborhood features its own outdoor area with a courtyard to enjoy the beautiful Colorado sunshine; a large common area with quiet corners to relax; an open kitchen and personalized meals.

GOLDEN LODGE
ASSISTED LIVING & MEMORY CARE

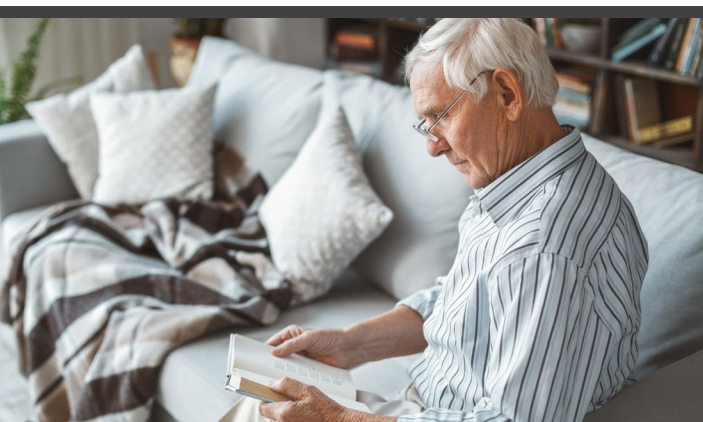

SHORT-TERM STAY

When you need a break, a respite stay is like a vacation with the comforts of home.

Golden Lodge Assisted Living and Memory Care offers short-term stays, also known as a transition to home, for seniors who are recuperating from an illness or injury, or are seeking relief from home maintenance.

Short-term stays can be ideal when:

- A caregiver needs a break or vacation from the responsibility of caregiving
- A senior requires further recuperation following hospitalization or a rehab stay
- A senior's hospital stay was classified as "observational" and insurance will not cover the cost of rehab
- A senior is interested in a trial stay before deciding to move into assisted living
- A senior's home is being remodeled or they are in the process of moving

ASSISTED LIVING, ON YOUR OWN TERMS

A shorter stay with us can provide you with that rare and beautiful thing: peace of mind. While you recover in our spacious, furnished apartments, you will have privacy to relax, recharge and heal, as well as access to extra care and support if needed.

During a respite stay, residents enjoy everything assisted living at Golden Lodge has to offer, including:

- Fully furnished one-bedroom apartments and studios
- Mountain views on every floor
- Your own kitchenette and walk-in or wheel-in shower
- WiFi and basic cable in your apartment
- Pet-friendly environment (one small pet per resident)
- Three chef-designed meals a day, plus snacks available all day
- Advanced technology for safety, security and entertainment
- 24-hour support staff on-site
- St. Anthony Hospital in Lakewood, urgent care center within a 15-minute drive
- Scheduled transportation to nearby points of interest and shops
- Medication management and transport to medical appointments
- Regular wellness checks
